Our top tips for selling...

Curb Appeal is King

- Tidy the front garden: mow the lawn, power-wash paths.
- Add fresh plants, flowers, or potted greenery.
- A freshly painted front door and clean windows make a big difference.

Declutter & Depersonalise

- Buyers need to imagine themselves living in the home.
- Remove excess furniture, family photos, kids' artwork, and personal collections.
- Create a clean, spacious feel throughout.

Light & Bright

- Maximise natural light: open blinds, trim hedges blocking windows.
- Use mirrors to reflect and bounce light.
- Replace dim bulbs with bright, warm lighting.

Neutral, Modern Palette

- Apply a quick coat of neutral paint (off-white, light grey, soft beige) to make rooms feel larger and fresher.
- Neutral tones create a blank canvas for buyers to envision their own style.

Kitchen & Bathrooms Sell Houses

- Deep clean until everything sparkles.
- Upgrade small fixes: new cabinet handles, modern taps, fresh grout/sealant.
- Add finishing touches: fresh flowers, fluffy towels, or scented candles.

Create Lifestyle Moments

- Set the dining table as if for a dinner party.
- Stage a reading nook with a throw blanket and coffee cup.
- Style outdoor furniture for entertaining and relaxation.

Swifter, smoother, simpler.

Market Ready ensures that much of the essential legal groundwork is completed before a sale is agreed, helping to eliminate unnecessary delays during the conveyancing process. By providing key information at the earliest possible stage, we streamline the transaction and help keep your sale moving forward smoothly.

Through our trusted network, we can introduce you to the right solicitor to streamline the conveyancing process and minimise delays.

What is Market Ready?

The **Market Ready Pack** is a collection of key legal documents prepared before your property goes on the market. Once a sale is agreed, this pack is shared with your buyer's solicitor, allowing the legal process to begin without delay.

By having everything in place from the outset, your sale can progress far more quickly and smoothly than a typical property transaction.

What's Included in the Market Ready Pack?

- ✓ **Property Information Questionnaire (PIQ - TA6)**
Provides crucial details about the property, including boundaries, disputes, alterations, and more.
- ✓ **Fittings and Contents Form (TA10)**
Clearly outlines what is and isn't included in the sale — so there are no surprises.
- ✓ **Official Copy of Title Register or Epitome of Title (for unregistered properties)**
Confirms legal ownership and highlights any covenants, restrictions, or access rights.
- ✓ **Title Plan (if registered)**
Shows the property's boundaries, helping buyers understand exactly what is being purchased.
- ✓ **Local Authority Search**
Details any planning applications, road schemes, or local issues affecting the property.
- ✓ **Draft Contract**
Sets out the terms of the sale, including any special conditions that the buyer needs to be aware of.

Identity checks with Lifetime Legal

Complete your anti-money laundering verification and enjoy free membership benefits with our partner, lifetime legal.

We are required by law to confirm the **identity of our clients and**, if you are selling a property, to **verify ownership** in line with HMRC regulations and measures to prevent financial crime. These checks are completed by our trusted partner, **Lifetime Legal**, for a nominal fee of **£60 (including VAT)**, payable directly to them.

1 Step One

We will schedule a two-hour time frame for the Lifetime Legal team to call you at a convenient day and time. Please keep your smartphone and two forms of ID, such as a passport and driving licence, nearby. If you're selling a property, they will also need to verify your property's ownership with the Land Registry.

2 Step Two

After the call with Lifetime Legal, each person will receive a text or email with a link to download the Credas app to verify their ID. If you don't have a smartphone, Lifetime Legal will guide you through alternative methods. You may also be asked to provide further documentation, depending on the sale or purchase circumstances.

3 Step Three

After your identity and, if selling, property ownership, have been verified, we can move forward with your property transaction. As part of the service, you will be given a 3-month free Lifetime Legal membership, which comes with free legal advice, a standard or mirror Will, and Mover Protection*. If your transaction falls through, Mover Protection could pay out up to £720 to sellers and £1,850 to buyers**

*These benefits and membership are offered by Lifetime Legal, and you are under no obligation to accept them if you do not wish to.

**Please note that terms and conditions apply.

Using a specialist agent to sell HMO (House in Multiple Occupation) property in South Manchester is the best approach for several compelling reasons:

1. Expertise in HMO Regulations:

HMO properties are subject to specific legal and regulatory requirements. A specialist agent fully understands these intricacies, ensuring that the property is compliant and that any potential issues are addressed before the sale.

2. Targeted Buyer Screening:

Specialist agents have the expertise to screen buyers effectively. They can identify and qualify potential buyers, ensuring that offers come from suitable individuals or companies with a genuine interest and capability to purchase HMO properties.

3. Access to Exclusive Buyer Networks:

David, the specialist HMO agent, has access to extensive lists of private HMO buyers, including property funds. This network provides a larger pool of potential buyers who are specifically interested in HMO investments, increasing the chances of finding a dependable buyer.

4. Market Reach:

In addition to private buyers, specialist agents like David also have strong access to the open market. This dual approach ensures that the property is exposed to a broad audience, maximizing the likelihood of a profitable sale.

5. Smooth and Efficient Process:

Selling HMO properties can be complex, but a specialist agent can streamline the process. Their knowledge and experience help in managing the sale efficiently, reducing stress and ensuring a smooth transaction.

6. Higher Sale Prices:

Specialist agents understand the true value of HMO properties and can negotiate effectively to secure the best possible price. Their market knowledge and negotiation skills are crucial in achieving a profitable sale.

By implementing these strategies, we aim to create a distinctive and effective marketing approach that sets us apart in the South Manchester property market.

Testimonials

Thank you so much to you (Carole) and Jodie with this sale – you have both been great and really helped it to be less stressful than it could have been. I think this is the third house I've bought or sold through JP and Brimelow and it's been brilliant every time so thank you.

I both bought and sold through JP & Brimelow and found the service Charlotte gave excellent. It wasn't a straightforward transaction as the chain collapsed lower down a couple of times but Charlotte helped hold the process together and get everything back on track.

We have recently listed our property with JP & Brimelow and our experience so far has been absolutely outstanding. The process has been straight forward and the team have guided us through every step of the process with clear communication and genuine care.

Their marketing is top-notch—high-quality photos, an impressive online listing, and a brilliant video tour – thank you so much Lauren, Conor and Harry – you are outstanding.

I purchased my first home in Chorlton with JP & Brimelow over 18 years ago and over the years have successfully bought and sold several houses with Eddie and his team.

They are knowledgeable, professional and calm and always go above and beyond to help by offering advice and guidance during the sale/purchase process. Carole and her team are nothing short of incredible making the progression of both selling and purchasing a home as smooth and as stress free as possible.

The entire team at JP & Brimelow, in particular, David, Catherine, Charlotte and Rachael made the entire selling process seem effortless.

David's guidance in preparing the property before it went on sale was invaluable. Charlotte was amazing throughout – I cannot praise her enough! Any queries I had were all answered promptly and I was given regular updates.

My experience was hassle-free and worry-free. I am so glad that I chose JP & Brimelow.
